# Brand

---

The TONINO LAMBORGHINI GROUP was founded in 1981 in Bologna by Tonino Lamborghini, son of the founder of the prestigious automobile brand. The creative design workshop responsible for creating the Tonino Lamborghini lifestyle is now based in a splendid villa just outside Bologna's city walls. Inspired by his more than thirty years of professional experience in the fields of engineering and design the concept of luxury has been expanded to products that evoke a world of passion for automobile enthusiasts and an uncompromising style. Next generation smartphones, timepieces, eyewear, jewelry, home design pieces, sports accessories, five star hotels, branded lounges and restaurants: a coordinated universe of style. All products are characterized by the symbol of the Tonino Lamborghini Group: the bull that "charges." The Tonino Lamborghini Group is a true "lifestyle experience brand" with a crystal clear vision: export the passion and spirit of Italian culture in the shape of unique and distinctive design products, inspired by the world of Italian art and industrial design.

---

# Vision

---

The TONINO LAMBORGHINI Group vision is to bring the passion and spirit of Italy to the global market through unique and distinctive products, inspired by the world of mechanical engineering and industrial design.

---

# Today

---

The Tonino Lamborghini Group focuses on development and positioning of luxury accessories in North America, Europe, Asia and Middle East.
